

# MIND THE GAP

*OPEN CALL : spatial concept for a festival center*

For this year's 20th anniversary of YOUKI we are happy to send out an open call for the design of the festival center in the Medien Kultur Haus Wels (mkh°) for the first time.

YOUKI is Austria's biggest international youth media festival and takes place end of November in Wels (Upper Austria). The Result of the competition is a spatial concept for the festival center, which will be realized by the winners on site.

*Mind the Gap* sets the thematic framework.

The open call aims at all creatives, for example in the fields of architecture, interior design, visual arts, media art, etc. Same as with the previous YOUKIs, the upcoming festival center will also be located in the gallery of the (mkh°). There is a 213 m2 room with a room height of 5.19 m.

„*MIND THE GAP!*“

Other uses:

An off-voice on ambient music at the airport. As ignorable as it is interesting, it talks about transgender rights in Britain, love stories and equality. The voice alludes to a famous Eurodance album which was released on Sheffield Tunes. It would like us to consider more the differences beyond polarities, and finally points out the obstacles in a skate park and the gap between the train and the platform.

„Mind the gap!“

„Thank you, darling, I will.“

An international jury will review the anonymous submissions and announce the award winners. All submissions will be exhibited during the festival and subsequently published on the YOUKI website.

All further documents are available for download at [www.youki.at](http://www.youki.at).

+++ NEW Submission deadline is September 7th, 2018 +++

Open questions can be sent directly to [youki@gang-atelier.eu](mailto:youki@gang-atelier.eu)

## OVERVIEW

**G A N G**  
Atelier

1. Admission fee FR€€
2. Teams 4 people max
3. Location gallery - Medien Kultur Haus Wels  
Pollheimerstraße 17, 4600 Wels  
Austria
